ANNUAL SPORTS DAY AT OUR SCHOOL

Last month in June 2024, Praise Primary School in Hoima City held their annual Sports Day. The games-master and other teachers helped to prepare the children for this important event. The teachers selected the best participants in each activity to represent their team on Sports Day. All the children wanted to participate, so they spent many weeks practicing for the games. The activities included short and long distance races, long jump, high-jump, relay races, shot put and javelin.

Other games included football, netball, volleyball and handball. The school director, Mr. Kugonza Edson changed the programme and announced competition between parents combined with teachers **versus** children. This announcement made all the pupils at the school extremely happier. When the parents heard of the news, they all felt joyful and cared for.

The headmaster invited a guest of honour, parents, friends and members of the community to attend the Sports Day.

On Friday 14th, most of the parents, guest of honour, friends and members of the community came to the school to participate and watch the competition. It was the most interesting day at the school.

Things became to the nicest when the director read the football line up. Our D.O.S, Mr. Assimwe Anatoli was the goalkeeper, the head teacher; Mr. Mugisha Deus was the teachers' defender.

A VISIT TO PAYDAY RESTAURANT

Last week I visited a restaurant,
Deep in my home village of Tulyegasiya,
And I lost interest of eating and drinking,
The place is just like a rubbish pit,
With houseflies and rats everywhere.

With heaps of rubbish on every corner,
Rats are jumping from here and there,
Competing with houseflies and cockroaches,
Busy eating food remains and dirty utensils,
Which are spreading the bad smells all over.

Looking at the waitresses and waiters,
I could not believe in what I had seen,
They all compete for untidiness and bad smells,
But with sets of cutlery soaked in dirty water,
I lost appetite of eating from restaurant,

Listen waiters, **waitresses** and the **chefs**,
If you do not improve on the sanitation,
The cholera, typhoid and dysentery will break out,
Affecting all of you and the rest of your customers,
