Dear SIR/ MADAM,

The department of Mathematics, **NABISUNSA GIRLS' SCHOOL**, with pleasure, extend an invitation to the students of principal and subsidiary mathematics class six (6) to our upcoming A' level mathematics seminar, "Unveiling the Beauty of Numbers."

The seminar will be held on **Saturday the 15<sup>th</sup> day of JUNE 2024** starting at 8:00am – 5:00pm at NABISUNSA GIRLS' SCHOOL. It will delve into a variety of captivating topics, in both paper 1 and paper 2 and the big part will be student centred.

Each student will be required to come along with their packed food and **12,000 UGX** entry fee.

This seminar will feature engaging presentations by distinguished educators of mathematics, interactive workshops, and opportunities for networking and collaboration with fellow mathematics enthusiasts.

Thank you for considering this invitation. We eagerly anticipate the opportunity to explore the beauty of numbers together and to celebrate the enduring legacy of mathematics.

Please RSVP by **13<sup>th</sup> JUNE 2024** to confirm your attendance and indicate the number of representatives from your institution who will be joining us.
