Dear Partners in Academics

RE: CAPACITY BUILDING WORKSHOP FOR GEOGRAPHY TEACHERS

Greetings in the name of the almighty God.

In response to continued requests to set papers, scenarios, scoring basis, rubric and changes in adaption of new curriculum in A 'level on many geography platforms, MOSATA has organized a geography workshop to respond to the above queries. This will take place on **22nd February, 2025 at KINGS SECONDARY SCHOOL (Located behind petrol City on a junction of Ibanda road off Kabale road near NRM offices)** from 9:30am to 5:00pm.

We therefore cordially invite geography teachers to come to learn, with us this new curriculum. The workshop is intended to answer questions on

- ✓ Success criteria for every element of construct
- ✓ Scoring of dummies
- ✓ Scoring rubric emphasizing on DV, IC, DP, SU, DF, LF and DL
- ✓ Elements of constructs most especially for these candidates
- ✓ How to set scenarios and their principles
- ✓ Re-echoring about the use of CK, CU and AP
- ✓ Discussion about adapted A 'level curriculum

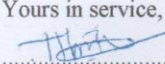

A fee of UGX 40,000 (forty thousand shillings only) will be paid per participant to ease the smooth running of the activities of the day [inclusive of lunch] teachers are encouraged to carry a copy of Nakasongola map extract to ease the discussion process.

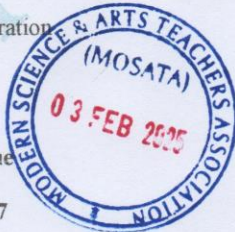

Geography items inform of books (S.1-S.4) will also be available at the venue at a cheaper price. These books will help us in supplementing the ones supplied by the government.

Our main facilitator is experienced personnel in new curriculum development

Thank you all for co operation

Yours in service,
