14. **Read the passage below and answer the questions that follow in full sentences.**

My name is Makata. I am a nine year old boy who lives in Kidera Village. In our village, most families are large with over ten children. However, I come from a small family of two brothers and three sisters.

Anita is the eldest as well as the first born in our family. She is 16 years old. When our parents go to the garden in the morning, we stay at home doing homework. Anita assigns each of us a duty apart from our sixth born, Shama. I am the third born and I enjoy washing utensils so much.

Our parents are always **happy** because they find all the housework done. They appreciate our work and encourage us to keep it up. I am so proud of my family.
