## SECTION B (50 Marks)

### 51. **Read the passage below carefully and in full sentences answer the questions about it.**

My name is Opinding James. I am a pupil at St. Peter's primary school in Iteme village, Arua District. My father passed on in 2016 after I had done Primary three promotional examination. I stay with my widowed mother and three siblings, a brother and two sisters, all of whom no longer go to school because the mother doesn't have any money to pay fees for their secondary education.

I also do not go to school every Friday because I have to go to Akwerder market to sell chickens and goats that are looked after at home. It is from sales here I get money to my fees and look after the family.

Akwerder market is twenty kilometres away from my villages but we manage to reach it on a bicycle.

One day, I sold the animals as I had always done. Instead of going back home as usual, I was convinced by a friend to go to the nearby centre.

At the centre, he asked me to go with him to a bar. I accepted and we ordered for drinks. There was really plenty to drink because money was not a problem but how to spend it.

I believe I drank off my head. This was because I was in another place the next day. I only came to realise that I was in the police cell. The police officers on patrol the previous night came to our rescue. From the four hundred thousand shillings I had got from my sales, there was only two hundred eighty thousand shillings left.

My mother took trouble to look for me until she found me in the police station. She talked to the police officers and I was released. This was the very day I stopped drinking because my mother taught me a lesson at home. I advise all the children to obey their parents and avoid bad habits such as drinking alcohol, smoking, going for discos among others.

My pen and I  
Create friends today and tomorrow  
Friends you help me communicate everyday  
With my friends and relatives

My friend!  
I give you honour and praise  
When I put you on paper  
You bring my relatives and friends nearer  
With your magical wisdom

My friend!  
Loved by those who use you  
And hated by those who cannot use you  
And embarrass them in public

Friend indeed!
