

KASSANDA DISTRICT LOCAL GOVERNMENT

**REPORT ON THE RESULTS OF THE 2024 PRIMARY LEAVING
EXAMINATION (PLE) IN KASSANDA DISTRICT**

**SUBMITTED TO
THE OFFICE OF THE CHIEF ADMINISTRATIVE OFFICER**

KASSANDA DISTRICT

January, 2025

INTRODUCTION:

On behalf of the Education Department, we are pleased to present to you the Results of the 2024 Primary Leaving Examination (PLE), which was conducted smoothly on 6th and 7th November, 2024; under the theme: “Embracing security and holistic assessment of learners in a dynamic environment”. The theme enjoined all concerned to accept the essence of security at all stages of the examination process. It emphasizes the assessment of the whole person, the cognitive, affective and psychomotor domains.

Assessment is taking place in a rapidly changing environment driven by rapid developments in technology. We must be alive to these realities.

REGISTRATION OF 2024 PLE CANDIDATES

A total of **5736** candidates of which 2535 (44%) males and 3201(66%) females from **104** centres (schools) registered for PLE in 2024 compared to **5070** in 2023. Among these **589** (251 males and 338 females) candidates were from **21** private centres representing 10.3% of the total candidates. However, only 59 of the registered candidates did not sit for the PLE exams due to different reasons including:

- Absenteeism
- Migration
- Conflicts in the families
- Children turned into casual workers especially (gold mining, bodaboda etc)
- Early marriages
- Sickness
- Death

This report presents the following:

- General scores in divisions for PLE examinations 2024.
- A comparative analysis on the PLE performance.
- Challenges.
- Recommendations.

- Individual schools' performance for the year 2024

General results show that science was the best-done subject, followed by Mathematics, Social Studies and English in that order and this did not deviate from the National performance.

Below is the general scores distribution for 2024 PLE performance in table 1.

LEAST PERFORMING PLE SCHOOLS IN THE DISTRICT 2024 ACCORDING TO WASTAGE

I would like to encourage the following schools to put more efforts so that next year we realise better results as they post a great number of wastages

Table 14:

No.	SCHOOL	DIV U	DIV X	TOTAL
1	Kinoni	39	1	40
2	Lubumba P/s	26	3	29

ACHIEVEMENTS:

- ✓ School management committees and Parents teachers Association (PTA) responded positively towards the support in registration of candidates at school level which contributed greatly to the smooth running and eventually the passing of PLE exams.
- ✓ There was an increase in number of Candidates who passed in Division one and two.
- ✓ Positive response from leaders in terms of mobilizing candidates to register for PLE.
- ✓ All head teachers with UNEB seating centres registered their Candidates in the stipulated schedule which was set by UNEB
- ✓ There was a decrease in number of wastage candidates compared to 2023
- ✓ The district mocks and regular assessments which was initiated by the council helped so much with the questioning techniques and approaches
- ✓ The school feeding programme which was initiated by the District Chairperson helped to improve performance
- ✓ Improved facilities in schools for example desks, new infrastructure, water helped to increase on enrolment and retention of candidates in school
- ✓ Improved inspection by the inspectors of school where by they could always give support supervision
- ✓ The CAO and district executive and the SACAOs regular visits to the schools boosted the morale of the candidates

CHALLENGES:

- Failure and absenteeism rate are still being registered.
- Political interference during registration of candidates which may cause some delays in the registration process
- Inadequate seating facilities in some UNEB seating centres.
- Inadequate funding by UNEB and the District Local Government to facilitate UNEB activities paralysed the smooth running of PLE exercise.

- Lack of motorcycles for inspectors to ease their mobility
- Inadequate teachers
- Some schools lack main halls which is requirement for a UNEB centre.
- Long distances to reach some of seating centres example Buseregenyu Neutral P/S in Mbiriizi sub county.

RECOMMENDATIONS:

- Regular testing and evaluation of candidates by the Head teacher to reduce the rate of failures.
- More sensitization of parents by all stakeholders to avoid withdraws of registered candidates from schools.
- Schools should continue desisting from involving themselves in examination malpractices.
- Both UNEB and the District Local Government should ensure adequate funding of PLE.
- Teachers should increase practicing regular comprehension with pupils.
- The District Local Government should support schools with adequate seating facilities, rehabilitate roads and construction of main halls.
- There is need to train Teachers, Deputies, DOSs and P.7 Class teachers on academic improvement.
- There is need to benchmark good practices with good performing schools and from other districts.
- There is need to conduct continuous professional development (CPDs) using UNEB examiner, especially examiners from the district.
- Inspectors should intensify support supervision in order to improve standards
- There is need for headteachers to include number of pupils passing at P.7 as an indicator in their performance contracts
- All teachers, SMC members, Politicians and community members should be engaged in mind set change campaigns towards education.
- Equipping all schools with UNEB centres with adequate teaching staff
- All concerned stakeholders should regularly visit schools and give career guidance
- Regular guidance and counselling to teachers in order to reduce defilement cases in schools which has resulted in children dropout.
- There's need to have an extra storage station in Kikandwa, the district was requested to buy a container to that effect

APPRECIATION:

I wish to register my appreciation to the following stakeholders who played a very big role for the smooth organization and supervision of PLE 2024.

- ❖ UNEB secretariat.
