Apado

3rd June 2024

Dear Aunt Joan,

Let me hope you are doing well. I am also okay at school here. I am writing to inform you that our school is going to have a sports day on 12th July this term. I have been trying to call my dad but his phone has not gone through for a week now. I am therefore requesting you to kindly reach out to him so that he can be in the know

earlier. Tell him that I am among the participants and the school has requested us to have all sets of sports uniforms so that we can look tidy on that day.

He should therefore give you some money to buy those items if possible. My team will participate in football and short races and I don't want to miss it since they have put much trust in me. In your reply, let me know the feedback he gave you so that I can carry on with my practice I also request you to be part of the spectators on that day and endeavor to come with all my cousins so that they can cheer me up.

I look forward to hearing from you and seeing all of you on that day.

Your nephew

Wanyziri.

The natural world in which
People, animals and plants live
Is our sweet environment
Providing us with oxygen, for nothing else
Other than supporting our lives

Environment where people get water
Where animals and plants breed
Providing cool habitats for our birds
To live and feed themselves freely
Majorly on the natural food.

Dear fellow country men and women
Let us rise up today and say no
To people who destroy the environment
Through bush burning, deforestation and so on
Causing natural **calamities** to the innocent.

The government has seen the need
To save our environment though late
As some of our once treasured
Animal species are no more
Just because of extinction by human actions
