## **SECTION B**

51. **Read the passage carefully and then answer in full sentences the questions that follow.**

In Uganda, the Uganda National Examinations Board controls all the major examinations from primary seven to senior six. All primary seven candidates sit for Primary Leaving Examination. If they pass, they go to secondary schools of their choices. This means they have gone to “O” level or ordinary level.

At whatever level, candidates must work very hard. Hard work means doing a lot of revision on their own, in groups or with their teachers.

On the examination days, candidates must never panic. They should keep relaxed and calm. The work in the examination papers is what they have already learnt or covered.

Candidates should have been briefed by their teachers and head teachers. They should therefore expect to meet the invigilators and supervisors in their schools on the examination day. The candidates should listen to and follow the instructions carefully. Anyone found engaging in any form of malpractice may be disqualified.

### **Questions**
