Last year our class, P.6, had a visit to Ebenezer Furniture Workshop. Our English teacher, Mr. Kakungulu Jonnah, led us to this workshop. He wanted us to see the different tools carpenters use. We arrived at the workshop at 9:00 a.m.

At the workshop, we found a carpenter whose name was Sagala Michael. He welcomed us and told us to be very careful. Being careful would help us to avoid getting injuries while at the workshop.

Our teacher requested the carpenter to show us some carpentry tools. He showed us tools like the plane, saw, screwdriver, drill, hammer and many more. He said that a plane is used for smoothing planks and a saw is used for sawing wood. He told us that all these tools are kept in a tool box. These tools are safe when kept in the tool box.

He also showed us some of the already made furniture. It included desks, tables, chairs and benches. They were all shiny. He explained to us that he uses varnish to polish this furniture. That is why it shines.

At the end, our teacher asked our class monitor to thank the carpenter on our behalf. At exactly 11:00 a.m, we boarded our school bus and went back to school. What an exciting educational visit this was!

Oh! My dear soldier
You give protection
At night you don't sleep
At the thieves you bark
If they insist you bite
You owe me a lot of your work

Oh! My dear soldier
On bones I feed you
On the chain I bind you
But still you don't complain
You unreservedly do your work
A loyal soldier you are

Oh! My dear soldier
Friendly to me but tough to enemies
A better kennel I will construct for you
To rest in during day time
On meat and milk I will feed you
Taking you for physical exercises every evening
I appreciate your services, my soldier
