His mother was already preparing supper. The beans were ready but she had not put in the salt. The water was put to boil but the maize flour had not been brought.

So Katibu was given some money to go to buy the missing items for supper. He put the money on the table. He put his school bag on top of the table. When he put on his daily clothes, he dashed to the shop.

The shopkeeper gave him what he asked for. When Katibu put his hand in the pocket, it was empty. There was no money. He didn't know what had happened. He then told the shopkeeper that his mother had promised to pay the money the next day. The shopkeeper, knowing, Katibu's mother very well accepted what Katibu said.

As soon as Katibu reached home, he started crying. He told his mother that some bad boys had beaten him and stolen the money. His mother was very sorry for him. She was very happy that the shopkeeper had accepted to give them the items without paying.

The following day, Katibu's mother woke up very early to prepare breakfast. Then she wanted to check if Katibu's bag had all school requirements. When she lifted it, she saw some money; it was exactly the one she had given to her son.

She got annoyed and thought her son was a thief. She called him out of bed. She asked him about the money. Katibu now realizes that his mother had found out the lie. Katibu knelt down and told his mother the truth. He did not know where he had put the money.

All roads in the country
Have claimed lives of innocent passengers
Being assisted by drunken drivers
Who love vehicles in dangerous conditions.

Pedestrians spend sleepless nights,
Fearing for their lives the next day
