

**INSTITUTE OF EDUCATION AND LIFELONG LEARNING
FACULTY OF HUMANITIES AND SOCIAL SCIENCES**

To: All students in the Institute of Education and Lifelong Learning.

Date: 17th February, 2025

Subject: End of Trimester Exams Congratulations & Important Academic Updates

Dear Students,

Greetings from the Institute of Education and Lifelong Learning!

1. Congratulations & Holiday Wishes; We extend our heartfelt congratulations to you for successfully completing your end of Trimester exams. Your commitment and dedication to your studies are truly commendable. As you take a well-deserved break, we encourage you to use this time wisely, rest, and engage in meaningful activities. Please be responsible and make choices that reflect your academic and personal aspirations.

2. School Practice for Year 2 & 3 Students; Students in Year 2 and 3 are reminded to be present at their designated schools for school practice, as this is a critical part of their training. Supervision has started and will continue until 31st March 2025. Please ensure you fulfill all requirements and remain available for assessment during this period. Remember school practice fee of UGX 120,0000.

3. Data Collection for Final-Year Students; Final-year students should have completed their departmental clearance and should now be actively engaged in data collection for their research projects. If you have not yet finalized your clearance, kindly do so immediately to avoid delays in your academic progress.

4. Missed Modules, Retakes, and Resits; Students with missed modules, retakes, or resits, especially those in their final year, are required to confirm their status with the Institute before the end of February. This will ensure that all pending academic matters are addressed in time to facilitate smooth progression and graduation.

For any inquiries or further clarification, please do not hesitate to reach out to the Institute.

We wish you a restful and productive holiday.
