### **SPORTS IN SCHOOLS**

In my school, Raise Up A Child School, we usually have a sports day in term two every year. On this day, activities like athletics and games are carried out.

In athletics, we have 100m race, 1500m race, sack race and relays. Among the games, we have football, volleyball and hockey. A lot of practice is done in preparation for the competitions. Selected participants are trained by their house sportsmasters in order to win the competitions.

There are four houses that take part in this event. There is always a prize for the winning house. Our head teacher invites the guest of honour to give out the trophy to the winning house.
