### **SECTION B (50 marks)**

51. **Read the passage below and then answer the questions that follow in full sentences**

Examinations are very easy to pass. One can easily pass these examinations by working very hard. Teachers always advise candidates to revise their books. The hard working candidates follow the teacher's advice while the lazy ones continue relaxing. When you carry out enough revision you face the examinations with a lot of confidence.

It was early January in 2017 when the PLE results for 2018 were released. Many candidates became **anxious** because they wanted to know their results. They therefore sent sms to 6600 at a cost of five hundred shillings.

While releasing the results at Uganda National Examinations Board (UNEB) headquarter at Ntinda, the Minister of Education and Sports then, Honourable Janet Kataha Museveni, was glad to announce that most of the candidates had passed the examinations.

The general performance indicated that English was the best done subject of the four. However, she noted that Social Studies was the worst done subject. The Minister congratulated all the candidates on their success. She also thanked teachers and head teachers who had conducted the examinations without any malpractice.

Urban schools had performed better than rural schools. The Minister **cautioned** teachers in rural areas against absenteeism, late coming and high rate of dropout. She promised that the Ministry of Education would come up with a new policy very soon.

Finally, the minister asked parents to take up responsibility for their children's education. They were provided with books, pens, uniforms, lunch and other scholastic materials. The minister further said, " When children are educated, they can help their parents in future and Uganda as a whole."

Fellow animals!

We who stay in man's home

Have suffered enough at his hands.

In the cold we sleep, sometimes without food.

Should we just keep quiet towards this torture? No!

I Mrs. Bull, my flesh they chop and cook.

I'm responsible for man's health.

All his children and visitors rely on my milk.

I cannot look on when being mistreated.

As for me, in charge of security,

Suffering in the cold is my payment,

For protecting man's family at night,

When it is time to eat, I am fed last,

Only bones left for me.

How much longer shall we stay quiet?

Now colleagues, listen to my advice.

Mrs. Bull, stop giving your milk.

To un – thankful and un – caring man.

You security officer, bite his children tomorrow.

Before he cooks me and my eggs,

Lets have him arrested.
