On the eve of the new year, our father organized a family outing. My father, my mother, my two sisters and I boarded a car. My father drove strictly to Enjoy Life Gardens where we celebrated the new year in style.

By 8:00 p.m., very many people had flocked to this place. We sat in tents as comedians and artists entertained us. There were also motivational speakers who encouraged the attendees to face the new year courageously.

I can't forget to let you know that we ate food. It was very delicious. We took soft drinks as well. Some other people moved around as they sold bangles and necklaces. My mother bought a necklace and she wore it. How beautiful she looked!

As it was approaching midnight, we readied ourselves to cross to the new year. All the people stood up. At exactly midnight, fireworks were set off. It was my first time to see such bright coloured lights and loud noises. My younger sister hid herself under a plastic chair.

We later drove back home. The following morning, we all went to church to ask God to shower them with blessings throughout the new year. The HAPPY BIRTHDAY slogan came from almost everybody's lips that day.
