Road the following instructions carefully:

- The paper has two sections A and B. Section A has 40 questions (40 marks) and section has 15 questions (60marks).
- 2. Answer all questions. Answers to both sections A and B must be written in spaces provided.
- 3. All answers must be written using a blue or black ball point pen or ink. Any work written in pencil will not be marked
- Unnecessary changes in your work and handwriting that cannot be read easily may lead to loss of marks. Do not fill anything in the table indicated "for examiners use only' and boxes inside the paper.
