SECTION B

51. Read the passage below and answer in full sentences, the questions that follow.

Wako Primary School is a day school in Sesame village. In this school, lunch is given only to those pupils whose parents have paid lunch money.

One day, four boys and three girls studying in this school started their journey home. It was after the afternoon classes. None of their parents had paid the lunch money. These children were hungry and weak. On their way, they saw a mango tree with some **ripe** mangoes on it. "I am hungry, why don't we visit that mango tree for fruits?" Brian, one of the boys asked.

"Yaah!" his friend Robert shouted excitedly. The rest including the girls supported the idea.

All the seven of them approached the tree. They saw the ripe mangoes. They started to throw some stones at them. One of the girls Kawudha, said, I see a bee-hive on that big branch. "We shall not climb but just throw stones. Make sure you don't disturb the bees," said Robert.

They started throwing stones at the ripe mangoes. Some mangoes fell on the ground. Unfortunately, quite a number of mangoes fell on the bee-hive. The boys and the girls started collecting mangoes which had fallen on the ground. Suddenly, a swarm of bees rushed out of the bee-hive.

The bees attacked all of them. Each one of them was running towards the road. The bees followed them and stung everyone. The pupils threw away all the ripe mangoes they had picked.

"Fall down and cover yourselves with grass," shouted Matthew. All of them did so. After a few minutes, the bees went back to their bee-hive. The girls remained on the ground crying. The boys called the girls as they were removing the grass from their bodies. They continued their journey home. Their mouths, hands, eyes, noses, ears and other parts of their bodies were all swollen.

When they reached home, their parents saw the way each one of them looked. They were sorry for their children. One of the boys told the parents that they were very hungry since they did not get lunch at school. The parents were concerned and after treating their children, they went with them to school and they talked to the headteacher.
